

Information / documents for the EAS-plenary-session in the frame of the EAS/ISME conference 2009 in Tallinn.

Please find attached

- the official invitation including
 - the agenda of the plenary session and
 - the proposal of the current EAS board for the election of a new board
- the draft of a new EAS mission statement
- the draft of new EAS regulations

The drafts of both the mission statement and the regulations have been worked out by the EAS board begin of February 2009.

Both documents will have to be approved by the plenary session. As EAS members please feel welcome to give your comments and suggestions so that these drafts can be revised appropriately before the plenary session 2009.

- an invitation paper (in English and German) addressed to colleagues you probably may encourage to become an EAS member - and to all of those who want to renew their EAS membership for the year 2009.

Please note that only EAS members (= who have payed their membership fees 2009) are able to vote at the plenary session 2009.

I'm looking forward to meeting you at the EAS conference = ISME European Regional Conference 2009 in Tallinn.

Best wishes

Franz Niermann

EAS president 2005-2009
