Digital as a creative medium
new forms, new playground, new actor for artistic creation

Digital Audience
relationship to the public, spaces and times, access

Digital Skills for musicians
student digitally literate, new skills

Digital Learning & Teaching
medium for learning and teaching process

**4 TOPICS TO
TALK ABOUT
DIGITISATION**

**One workshop
to define
and focus the topic**

How technology can help
empowering artist
as makers of
tomorrow's musical life in society ?

How can HME help students
become makers
in a digital society ?

2 QUESTIONS DURING THE ARTEMIS PROJECT

- Survey for Students Digital Needs
- Platform for connecting networks and providing resources
- Interviews with Experts–Webinars during the 23-24 school year
- Working with other working groups of the ARTEMIS project
