

ACTIVITY 4

Music Exchange

Prepare a song for another school to perform – and perform the song prepared for you by a school in another country.

16 Nov 2026

Deadline to register and share your song video

20 Nov 2026

You are matched with another school

15 Feb 2027

Deadline to share both YouTube links

15 - 19 Mar 2027

Videos premiere during the EuDaMuS week

● Step by step

- 1 Choose and perform a national song that you would like another school to perform, and record it on video.
- 2 Upload the video to your own or your school's YouTube channel.
- 3 Add the lyrics in the video description – with an English translation if the song is not in English.
- 4 Register by **16 November 2026**, sharing your video link and contact details:

By registering, you commit to completing the exchange.
- 5 By 20 November 2026 you are matched with another school.
- 6 Learn the song shared by the other school and record your own version of it. Be creative and make it your own.
- 7 Upload your version to your own or your school's YouTube channel.
- 8 Share both YouTube links – the original song and your version – by **15 February 2027**:

Enjoy the exchange videos during the EuDaMuS week. New videos premiere each day, so it may take until 19 March for yours to appear.

Ideas & guidelines

● Some ideas for your national song

- A song by a well-known songwriter or artist from your country, in your own language
- A traditional children's song
- Your country's song from the [EuDaMuS Songbook](#) or its [Addendum](#)
- A piece by a composer from your country

● Some ideas for your version of the other school's song

- Translate the lyrics into your own language
- Include a traditional instrument from your country
- Perform the song in a different style or genre
- Combine the other school's song with part of a national song from your own country
- Add traditional dance to your performance

Please make sure to ...

- ... include the lyrics of your song in the video description, as well as an English translation if the lyrics are in another language.
- ... have permission to show the content and the people in the video publicly.

Please note: depending on the number of registrations, it may not be possible to pair every school with a partner school from another country.

Why we celebrate EuDaMuS

Through the European Day of Music in Schools we celebrate that many children and young people in Europe have music education in their schools. At the same time, we advocate for good quality music education for all children and young people in Europe and beyond. Let this message be heard by parents, teachers, school managers, policy makers – everyone who should hear it.

Together we can make music education be heard!

All five activities, the song *Together*, the EuDaMuS Songbook and every registration form:
